Beginning Band F.A.Q's

Q. "I haven't been assigned an instrument yet. What should I do?"

A. During classes the first week of school we will try out students on available instruments and then provide families with information regarding instrument purchase/rental.

Q. "I don't know anything about my instrument or reading music. What do I do?"

A. We assume the majority of Beginning Band students have little to no musical experience so we all move together through this process.

Q. "When will we play our instruments?"

A. When all students have been assigned and are in the correct classes we will then invite students to bring instruments (usually the 2nd week of school.)

Q. "Will I get a locker and can I bring my own lock?"

A. We will issue each student a Band locker and a Band combination lock.

Q. "My schedule has the wrong elective on it. Who do I talk to about that?"

A. Our awesome counselors will be happy to field that issue and do their best to get you into the right Band Class.
