No matter what instrument your child will be playing next year, we want to be your partner in their musical journey. Our dedicated and knowledgeable staff will make sure that you have everything your child needs. You can depend on our in-store repair technicians to keep your instrument in top shape all year round. Plus, with our team of experienced Educational Sales Representatives, repairs and supplies can be delivered directly to your child's school during the school year. Let us show you why we've earned the trust of South and Central Texas band and orchestra families since 1946!
